

Remote sensor option

Sun sensor:
Standard: 480 1000 151/01
IR filtered: 480 1000 158/01

Davis solar enclosure with 6v battery: 6612
480 1000 195

Davis solar enclosure mounting plate inc sun control pcb:
480 1000 189

Sun Duration display:
LCD - 480 1000 185
OLED - 480 1000 185/1

Instromet Sun Datalogger:
480 1000 146

Davis Weather station:
Connect to Solar input
(Non Instromet supply)

Pro sensor option

Sun sensor:
Standard: 480 1000 151/01
IR filtered: 480 1000 158/01

Instromet large sun controller:
Part number - 480 1000 188

3m display cable:
20430

Sun Duration display:
LCD - 480 1000 185
OLED - 480 1000 185/1

Instromet Sun Datalogger:
480 1000 146

Use volt free contacts and Instromet Davis interface cable:
20425

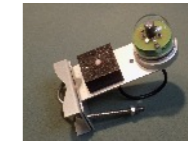

Davis Weather station:
Connect to Rain input
(Non Instromet supply)

Davis Weather station:
Connect to Solar input
(Non Instromet supply)

Hobbyist sensor option

Sun sensor:
Standard: 480 1000 151/01
IR filtered: 480 1000 158/01

Instromet small sun controller:
Part number - 480 1000 187

3m display cable:
20430

Sun Duration display:
LCD - 480 1000 185
OLED - 480 1000 185/1

Instromet Sun Datalogger
480 1000 146

Davis Weather station:
Connect to Solar input
(Non Instromet supply)
